

Jolana DIAMANT II - Diamant II

The production of Jolana Diamant has started back in 1979 in the small town called Horovice. In 1983, new, improved version of Jolana guitar, Jolana I shown up.

Diamant guitar became the most popular and played electric guitar in Czechoslovakia back in 80s. That time highly acclaimed and well known musicians played the Diamant. The production of Jolana Diamant has been restored on the threshold of a new millennium by company called Bohemian Musico. Horovice hand wound pickups used to be equipped with the guitars. Contemporary model is equipped with Gotoh hardware and the sound quality is ensured by Seymour Duncan USA or Amber Germany pickups.
