

Jolana TORNADO II - Tornado II SB

The very first Jolana Tornado was manufactured in 1963 in an enterprise called ČSHN Hradec Kralove. Mass production started in Horovice town in 1967. That model used to be equipped with a set of three pickups and a variety of control knobs and switches. Contemporary model includes two humbucking pickups, three-way toggle switch and push-pull pots for coil split.
